

SUMMER CAMPS

2019

Clue : June 10th - 14th

Who dunnit? Where were they? and with what?!? This Clue camp asks for the detectives to show up ready to find the clues and ready to WIN the game! With trips on both Tuesday & Thursday to local parks, our investigators will better hone their investigative skills! Daily challenges with new culprits each time, require campers to visit locations, collect clues and determine who 'dunnit' for each game. Was it Colonel Kasey in the kitchen? Or Miss Dayna on the playground.....this week will be filled with so much laughter and silliness that the campers will never forget Camp Clue!

Extreme Animals : June 17th - 21st

Do you enjoy animals? Learning about animals as well as experiencing animal care? Join our Extreme Animals camp for the best of both worlds! We'll take our 2 field trips this week to the Stables for horseback riding and to learn about the care of these beautiful creatures! Extreme Animal Camp also covers interesting info about some extreme animals! We'll practice spitting the distance that camels can, discover what slimy friend can sleep for three years, and hold a crustacean whose heart is found on its head! We'll create habitats for a few NEW animal friends and work on training tips for furry ones we hold! Animal lovers will find this camp hard to resist!

Pizza Parlor : June 24th - 28th

Pizza for breakfast, pizza for snack....pizza for lunch! Each style of pizza is unique and different....from the dough to the sauce! Our campers will have a chance to test out their skills with a doughy, cheesy or saucy favorite! Make the dough, sling the dough, choose your toppings...bake & eat! Not only will they create a delicious item to taste test....they will learn the terms and techniques for pizza making to make pizza chefs out of each of them! Couple this week with a visit from a local pizza chef and stops at our favorite parks....Pizza Parlor is a unique camp your camper won't want to miss!

DIY Design : July 1st - July 5th

Build your own bird feeder, or jazz up an old shirt! Campers will get to explore a variety of materials in order to create their own everyday items. From no-sew blankets and purse to slime and wooden creations, we'll be using problems solving to learn new practical skills that we can put to good use in everyday life. Be a custom designer in this camp of fancy fun!

Nerf Battle : July 8th - 12th

From target practice to ALL OUT battle....this NERF week will hone the skills of our nerf enthusiasts, challenge their accuracy and even sharpen their aim! With whole team obstacle courses, accuracy tests and color coded aim competitions, our days will be filled with soft shooting FUN! Be sure to bring your eye gear and your favorite weapon from home if you choose and go head to head with the counselors in a nerf war shoot out!

Double Dare : July 15th - 19th

Who dares to join double dare?!? From slime sifting to gloopy water surfing, from cool whip nose picking to spaghetti flag searching this messy competition week will keep our campers on their toes! With daily challenges and crazy camper fun, you won't want to miss this academic challenge of epic MESSY proportions!

Sweet Treats : July 22nd - 26th

Become a sweet baker in this candy camp of cakes and sweet treats! Join us for a baking challenge of epic proportions as our campers create delicious treats that taste and look fantastic! Everything from brownies to cookies from cupcakes to lollipops; sweet treat campers will be able to master chocolate tempering and cupcake decorating as well as hone techniques NEW to even the experienced baker!

All Sorts of Science : July 29th - August 2nd

The forms of science are vast....the camp activities are varied and this week of fun will not disappoint! Campers can learn to build simple machines to be used to complete tasks and create video clips utilizing multiple forms of photography and videography. They will be exploring chemical reactions, completing multistep gravitational studies, making mountains and fostering earthquakes to experience these messy ..yet masterful phenomenon! All sorts of science camp will entice the most un-enthusiastic scientist to throw on their lab coat and join in the fun!

Olympics 2019 : August 5th - 9th

High Jump, Long Jump, Javelin, shot put and so much more! Join us for the Little House Olympics 2019! With games and competitions to challenge each camper, our Olympics will bring out the all-star in everyone! Campers can compete in the relay challenge and our summer version of ice hockey to round out the Olympic games. Complete with medals and daily closing ceremonies, this week is sure to bring out the Olympian in your camper!

A.R.T : 2wks August 12th - 16th & August 19th - 23rd

A.R.T camp will bring the artist out in each of our camp friends! Water coloring painting, art sculpture creating, and clay creature crafting will give your artist a chance to shine!! Open ended art creations alongside paint balloon splattering, exploring multiple art mediums to pottery spinning this two week camp will have every kiddo enjoying the creative aspects of all things ART!!!

Last Hoorah : 2wks August 26th - 30th & September 3rd - 6th

The best of the best from our entire summer will be re-created this week! From nerf battles to plinko playing, from cupcake making, to slime sliding, the campers will end the summer with all their favorites from 2019 Camp in an ALL OUT Party!! Food, Messy fun and memories to bring it all together....join us to end summer 2019 with a BANG!
